

## **HOW TO ORDER THE REVISED PIDCOCK FAMILY ASSOCIATION GENEALOGY**

Following a five-year-effort, the revised "Genealogical Register Report for The Pidcock Family Association" is complete, and the association is gearing up to distribute it.

The 252-page document consists of several key segments:

- The 165-page genealogy section starts with Jonathan Pidcock (1729-1812) and lists Pidcock descendants through 11 generations.
- The 34-page Lineage Index of surnames allows readers to readily locate individuals by surname.
- As printed in the 1992 edition, the complete "History of the Pidcock Family and Association" tells about many aspects of the family's past.
- The back of the book has special pages for family members to record marriages, births and deaths.

The book is available both in printed form and as a PDF, which comes on a CD. The printed and PDF versions are identical. The CD also contains the 2014 addendum.

The PDF version is searchable and individual pages can be printed.

The paper version is printed on three-hole, unlined notebook paper so that Pidcock family members can put it in a loose-leaf binder. (Binder not included.)

Each copy of the 252-page printed version of the “Genealogical Register Report for The Pidcock Family Association” costs \$25 plus \$5.60 for postage. Total cost: \$30.60. All copies will be shipped “Priority Mail” via the U.S. Postal Service.

Each CD containing the PDF version, also 252 pages, of the “Genealogical Register Report for The Pidcock Family Association” costs \$15 plus \$2.50 for postage. Total cost: \$17.50.

All proceeds from the sale of the genealogy reports will go to the family association, which has assumed all production costs. Association members who worked on the project did so as volunteers.

To reserve a copy or copies, send an email to John L. Moore at [pidcock2013@yahoo.com](mailto:pidcock2013@yahoo.com).

Please make checks payable to the Pidcock Family Association, and send them to:
